**TEMPORARY HAIRSTYLES**

Temporary = for a short time only

- Look at the photos. Do you recognise the person?
- Check more David Beckham's hairstyles online! Then decide which ones are your favorites and share with the rest of your group.

**Activity 1**

**TEMPORARY HAIRSTYLES**

People like changing their hairstyles from time to time, but some prefer to keep their **natural hair colour** and style and want to have something that will make them look different. For instance, a person with curly or wavy hair may want to have straight hair, so they will get their hair **blow dried straight**. A person with straight hair might want to have wavy or curly hair, so they will get their hair **rolled** and curled. They might even they might want to have a different hair colour, so they may ask for temporary **highlights** or colours. People also get different hairstyles like a **bun** or **plaits**. Or they get a **hair piece** clipped on for events or special occasions like **weddings**, parties and dinner parties.

- \_\_\_\_\_

1 Permanent Wave: This is usually called a **perm**. Chemical of **waving lotion** is **applied** after the hair is washed and it is **wrapped** on a **perm rod**.

2 Hair Straightening: Here, the hair is combed straight rather than it being wrapped around perm rods. The **process of hair straightening** is also called **relaxing**.

3 Hair Colouring: is a process of changing the colour of hair. The main reason for this practice is cosmetic. There are several types of permanent hair colouring processes, these are;
